

CALL FOR ABSTRACTS

32nd Annual Environmental Training Symposium & Conference
Education – Collaboration – Compliance
Finding Common Ground to Protect Our Environment
San Diego Convention Center
October 5-6, 2016

**INDUSTRIAL
ENVIRONMENTAL
ASSOCIATION**
*Promoting Industry and
Protecting the Environment*

You are invited to submit an abstract for the 32nd Annual Environmental Training Symposium and Conference, sponsored by the Industrial Environmental Association and the California Manufacturing and Technology Association. The symposium will be held at the San Diego Convention Center on Wednesday and Thursday, October 5 and 6, 2016.

We are soliciting presentations to be given during the symposium through this call for abstracts, and are accepting proposals from all segments of industry and the public sector: manufacturers, consultants, government, suppliers, regulators, legislators, media, and education.

Theme:

The theme of the 2016 Environmental Training Symposium and Conference is: Education – Collaboration – Compliance • Finding Common Ground to Protect Our Environment. Environmental protection is a common goal for industry, non-profits, government, education, and many other sectors. This goal is achieved through educating professionals and the public about environmental issues and solutions, and collaborating with like-minded and diverse organizations, which culminates in compliance with environmental regulations.

The following categories will be considered, and other relevant topics are welcome:

- Air Quality
- Case Studies in Sustainability
- Case Studies in Collaboration to Achieve Common Goals
- Collaboration with Recycling and Waste Management Programs
- Cybersecurity
- Energy Storage Technology Developments
- Environmental Justice – DTSC Community Protection and Hazardous Waste Reduction Initiative Advisory Committee
- Health Risk Assessment Guidelines
- Hydrofluoric Acid
- Industrial Storm Water – Case studies
- Prop 65
- Water Reuse and Recycling

Presentations will be selected based on overall quality, relevance to today's issues, practical application to California's legislative and regulatory climate, or general interest to membership. Priority selection will be given to IEA/CMTA members. The 75 minute sessions consist of three individual presentations with a 15-minute Q&A to follow.

IEA is unable to pay honoraria or travel expenses. Speakers whose company cannot cover the cost of your travel will be listed as a symposium sponsor.

To submit a presentation, please complete the form on page two. **Call for papers will be accepted until June 10.**

DUE JUNE 10, 2016

I am interested in presenting a paper for the 32nd Annual Environmental Training Symposium & Conference and have attached a one-page summary and a brief biographical sketch.

Name:

Title:

Company:

Address:

City:

State: Zip:

Phone:

Fax:

Email:

Presentation Title: |

Requirements to Submit Paper:

Abstracts describing the presentation should include the following:

- A clear description of the content of the presentation and connection to the theme
- Indication if you are an IEA member or CMTA member
- Indication if you are a student
- Indication if you are interested in moderating a session

Please send this form along with a one-page abstract to Carly Keen by June 10, by either of the following:

Email: carly.keen@iea-sd.com with "2016 Symposium Call for Papers" in the subject line

Fax: (619) 522-9005
